

### **Policy and Etiquette**

The Bhutan Coronation Marathon encourages all entrants to read and understand its policies and etiquette before participating.

### **Cut Off Policy**

Each race of the Bhutan Coronation Marathon has an official cut off time in which entrants must complete their race. These cut off times are enforced so roads can be reopened to the public in accordance with event permits. These are all based off the **gun time** (i.e. the time when the starting gun is fired).
